SUIT

Sarhad University of Science & Information Technology, Peshawar is an established name in the educational circles of the country and abroad. It was established through an ordinance of the Government of Khyber Pakhtunkhwa and is duly recognized by the Higher Education Commission of Pakistan (HEC). The University has been ranked as category “W-3” which is the highest category awarded in terms of meeting academic, financial & physical infrastructure. The University prepares its students to meet local and global challenges in a highly spirited job market. The courses combine learning and job skills. SUIT is dedicated to impart high quality education with emphasis on demand oriented skill development and training in an enabling and conducive environment. The educational programs are properly designed to:

- ▶ Develop skills and competence in their areas of specializations, and
- ▶ Acquire sophisticated, cross-functional education with owing emphasis on developing critical, analytical and logical thinking.

Sarhad University has an exceptional national and international reputation, imparting quality education to a large number of students in various fields of learning, earning HEC highest rating of excellence for Engineering, Pharmacy, Computer, Management, Social and Biological Sciences. The education at Sarhad University is cost-based but affordable. The University is dedicated to students’ welfare and provides all support and guidance in their quest of successful careers and jobs.

Courses for our academic programs have been designed by experts with a view to prepare a breed of planners, skilled workforce and creators of new products, systems and services. The curricula place special emphasis on novelty, creativity, analysis, problem identification and problem solving attributes. The faculty members have parental approach – a distinct feature of our campus culture. The supporting staff is cooperative, courteous and competent. The University is equipped with excellent learning resources and other allied campus facilities.

CATEGORY

University has been ranked as category (W-3), which is the highest category awarded by HEC in terms of meeting academic, financial & physical infrastructure parameters laid down by the HEC.

WELCOME FROM THE VICE CHANCELLOR

It gives me immense pleasure to record my message for the "SUIT at a glance", an ancillary of Prospectus 2024-25.

I would like to welcome the new entrants of 2024-25 batch to Sarhad University, Peshawar.

Dear Students, "Your decision of choosing SUIT will prove to be the best decision of your life. You will enjoy your academic life in the University. Here, the academics are state of the art, faculty members are well qualified and friendly, having complete command on their subjects. Lab staff is competent and experienced. You will find yourself in safe and competent hands. You will learn with dedication, and later on serve with devotion.

Our co-curricular system is marvelous. Students prove their mettle other than the academic fields. Whether, you are a player of Cricket, Football, Table Tennis, Badminton, or indoor games, you will be given full liberty and chance to show your skills in the field, not only to earn fame for yourself but also to bring laurels to the University.

Our library, cafeteria, and other student related facilities are fully operational for you. Our staff is courteous enough to treat you like their family members."

I wish you an enjoyable academic career at Sarhad University.

ENGR. PROF. DR. SALIM UR REHMAN

Prof. Dr. Salim ur Rehman born in Peshawar in 1962, completed his early education from Islamia Collegiate School, and FSc (Pre-Engineering) from Islamia College, Peshawar. He went to PAF Risalpur for obtaining degree in Aeronautical Engineering, and got commission in Pakistan Air Force, as Flying Officer in 1985. During his service at PAF, he got S&T Scholarship to complete his PhD from Georgia Tech, USA. He served PAF for 21 years.

After retirement from PAF as Squadron Leader, he joined Sarhad University of Science & Information Technology, Peshawar, as Director (Information Technology). Later on, he became Dean, Faculty of Engineering & Technology. In the year 2006, he was elevated to the coveted post of the Vice Chancellor, which he is continuing to date.

SUIT ISLAMABAD CAMPUS

DIRECTORATE OF ADMISSIONS

It spreads over an area of
15,000
Sq. ft

A spacious Admission Section is located adjacent to the Main Entrance, it accommodates 100 to 150 students at a time. It is headed by the Director Admissions.

OUTSTANDING FACILITIES

Campus life without essential facilities is of no gain. SUIT has tried to provide all necessary facilities to the students on the campus, which have no match in the entire area. From Cafeteria to transport, all segments are supervised by the experts having vast and rich experience in the relevant fields. The facilities provided at the campus are designed keeping in view the international models. The existing students are fully satisfied with these facilities, and enjoying the same during their curricular and co-curricular activities.

CENTRAL LIBRARY & HEC DIGITAL LIBRARY

Equipped with over 32000 titles, our library offers a peaceful, calm and quiet environment. The library affairs are professionally managed by a qualified librarian along with trained staff. The subscription to a vast number of Journals, Periodicals and Magazines extend the students an opportunity to remain abreast with the latest trends in education and research. Also, access to the HEC digital library is a unique resource of advanced knowledge, encompassing thousands of Books, Journals and Periodicals. The library maintains a wide range of specialized information, including publications of national and international organizations. The available statistical data and government documents, online research facilities and access to internet are conveniently available to teachers and students alike. The Library maintains a wide range of specialized information, including publications of national and international organizations.

SUIT library also has an access to the HEC digital library

VIDEO CONFERENCING ROOM

Synonymous with the modern age, SUIT has also developed a Video Conferencing Room, in the Main Campus which is equipped with most modern equipment and gadgets to hold online discussions, interviews, lectures, and other academic activities. It also provides a link to the HEC, and other regulatory bodies to participate in the online seminars and lectures. SUIT's Video Conferencing Room is a state-of-the-art facility, available to the faculty members of International and National Universities to hold online seminars on the topics related to their relevant fields of study.

SEMINAR HALL

SUIT's Seminar Hall is a life blood of the co-curricular activities of the University. Having capacity to accommodate more than 300 students at a time, it provides an effective platform to the players of performing art to demonstrate their dramatic skills. Besides, seminars, speeches, declamation contests, and similar co-curricular activities are also held in the Seminar Hall throughout the year. It is so beautifully designed that regional/provincial rounds of HEC's organized Allama Iqbal Shield are frequently held therein.

CAFETERIA

SUIT's Cafeteria is the best place to relax, eat and drink. Three times meals from breakfast to dinner are served to the students on subsidized rates. Mid meals are also provided in the shape of snacks, sandwiches, burgers, samosas and pakoras to cater for the needs of students along with tea, juices, and cold drinks during class intervals. Cleanliness at kitchen and hygiene are the salient features being implemented round the clock, to avoid any health related issues among students and staff. SUIT Cafeteria is supervised and looked after by the Cafeteria Management Committee (CMC) to ensure provision of standard food items on prescribed rates. CMC is consisted of Senior Professors and Administrative staff members.

SECURITY

SUIT has a well-organized and efficient security system, which is available round the clock in the campus to provide efficient security services to the students. It keeps a vigilant eye over the in and out of the campus as well as on surroundings. More than one dozen pickets over the boundary wall manned with alert shooters and sophisticated weapons provide a sigh of relief to the campus population. The Security department is supervised by a young, energetic and capable security in charge, available in the campus round the clock to perform his duties efficiently and diligently.

TRANSPORT

The University has a significant fleet of busses, coaches, and vans to provide commuting services to the student/staff communities on prescribed routes. The transport services are equally available to the male and female students and faculty members on subsidized rates throughout the semester. Efficient, obedient and experienced staff is deputed on the busses to perform their duties with responsibility and hard work.

CONVOCATION

Holding of Convocations is a regular feature of the University. So far, the University has conducted 16 Convocations. Two Convocations were presided over by the then President of Pakistan, whereas one was presided over by the then Prime Minister of Pakistan. The remaining were headed by the then Governors of KP, in the capacity of Patron of the University.
